

Zurich Benelux is hiring!

Currently we are looking for our Netherlands office (location: Den Haag):

Senior Financial Accounting & Reporting Accountant (IFRS 17)

In this role you are responsible for the end to end process of IFRS 17 reporting. This new accounting standard for insurance companies will be in force from 1/1/2021, but Zurich has chosen to report IFRS 17 standard already from January 2020 onwards.

In principal you work under supervision of the Finance Manager Accounting & Reporting Benelux, but you also have to work closely together with the responsible IFRS 17 project officers in Zurich and Dublin + the FAR controllers of Zurich France and Zurich Nordics.

Key Accountabilities

- Act as a subject matter expert on IFRS 17 for the complete reporting process on Insurance Service result.
- Coordination of the IFRS 17 changes in financial systems SAP and FIP
- Act as IFRS 17 officer towards Zurich Group and ZIP Finance
- Constantly review the submission process and implement simplifications
- Monitor changes in the IFRS 17 requirements and co-ordinate their implementation across the countries in scope.

Requirements/Profile

- At least 5 years of experience in a financial environment, e.g. qualified accountant, actuary / financial analyst or similar
- IFRS knowledge is a must
 - IFRS 17 knowledge is an asset
- Good knowledge of the Insurance industry
- Good knowledge of SAP system Global Finance Core + MS Excel
- Excellent communication skills in English, both written and verbal
- Strong analytical skills
- Eagerness to take initiative and work pro-actively
- Positive and flexible attitude

We offer

- 1 year contract with high probability of extension
- An international, entrepreneurial and informal working environment
- Professional growth and development opportunities
- Attractive salary package and benefits
